

# THE MONTPELIER SERIES

CH-24602  
Polished Brass

Montpelier chandeliers and wall sconces are solid brass, finished in polished, antique, or satin brass as requested. Arms are hand-bent here in our shop. Husks and dolphin armbacs create brilliant details when lighted by clear candle bulbs. Lacquered for years of trouble-free service.

# THE INDEPENDENCE SERIES

CH-35723-T-DN  
Polished Brass

The Independence Series chandeliers are truly remarkable fixtures. Every piece is hand-turned by us in the shop. Arms are double normal thickness. Body parts are of massive scale. A most excellent fixture for the interior requiring only the best. Shown here with optional downlight.
